Mimosa Winter Gala
2nd December, 2023

In Association with Ferrari

OFFICIAL

SF CÔTE D'AZUR CANNES

Introduction

In a decade-long journey, Mimosa, initially a humble kitchen table charity, has blossomed into a vibrant community dedicated to combatting cancer.

Started by determined expat ladies living in the South of France, with a single charity ball, our diverse fundraising initiatives, from second hand clothes sales to Mini Mimosa Kids' fun runs, weave hope for cancer patients across the region. Each event showcases the remarkable generosity of businesses and individuals in our area.

Committed to cancer prevention, education and support, Mimosa operates as a 100% volunteer organisation, fueled by an unwavering commitment. Late into the nights and on weekends, we organise events to raise money to fund our projects. Our heartfelt gratitude goes to everyone who has supported us.

Together, Mimosa stands as a dedicated community united in the fight against cancer.

ALPES-MARITIMES

Mimosa, a vital partner of La Ligue contre le Cancer 06 for the last decade, has been instrumental in supporting patients and caregivers throughout the Alpes-Maritimes region. Their crucial assistance empowers us to provide essential support services and operate our several Espace Ligue.

Notably, the inaugural Mimosa Ball in 2015 funded the opening of our Espace Ligue in Antibes - a haven offering free therapy and non-medical treatments for those navigating the challenges of cancer.

Mimosa's unwavering support over the past 10 years, marked by annual contributions and collaboration on diverse projects, demonstrates their dedication.

Without Mimosa's support, the successful implementation of these crucial programs, benefiting numerous cancer patients in the region, would not have been possible.
